TUESDAY EVENING. JULY 14.

MORE DEFENSE THE DUTY OF . THE PEOPLE. The people of Georgia and of Atlanta have had timely warning of the dangers that threaten barrier to these intonds. It is a solemn and saerol duty that they should do so, and that with-

of our homes, our amounty and our honor ungo armies cannot be everywhere, and experience has proved that they are powerless; unaided by the people at home, to protect the country from the depredations of marauding bands of the amount. The perilons situation of affairs now demands that every man shall do his whole duty. Private business must, for a time, gield to the higher claims of the public salety and welfare. Tennasses, it is added: During last year, when it was announced in During last year, when it was anarching on It [Memphis] is now, and it always will be, Clindronal that Kinny Smith was marching on important point. Its imperiance will inof cars." A little precaution and preparation climate of the South.
